Councillor Tondeur has been in touch with CALC and obtained the relevant details that will enable the Parish Council to employ a handy person, and a local person has been found who is keen to take the job on. It was resolved that there will be a trial period commencing on 1st August 2022.

22/56 Recordings Policy:

An enquiry had been made via the Burneside Residents Association regarding the recording of Council Meetings. The Clerk explained that, when meetings had been held by ZOOM, they had been recorded and then deleted as soon as the minutes had been produced.
