

Permissive/Permitted route as diversion on Footpath 574021 as safe alternative avoiding road crossing of A591 [since February 2019]

Length of path 350 feet [0.1km]

**From February 2019 a Permissive Route allows safe crossing to other side of A591---**

--just before reaching A591-wooden wicket-gate on left provides access to fenced walkway down to farm underpass. SD48745/96452

Second wicket-gate into underpass SD48684/96441

Walk through underpass to another wooden wicket-gate on right SD48663/96411

(before metal which gate leads into field.)

Then bear half-right to gateway/gate in wall and through gateway- SD48610/96403  
SD48614/96403

turn right to rejoin right of way.

Walk with wall left to wooden stile+ finger-post "Public Footpath" SD48566/96378  
This is public road U5317.

[From here left turn (south-east)70metres along road is Footpath 574020 for Ratherheath Tarn and Ratherheath Lane.]

*Right of way route is-Cross main road with care to finger-post – SD48563/96431  
("Public Footpath") pointing from A591  
Wooden stile in hedge down into field. BUT underpass route recommended.*
