

THE FUTURE OF BURNESIDE: WHAT HAVE WE HEARD SO FAR?

Since April we have been speaking to people who live and work in Burneside, Bowston, the parishes of Strickland Ketel and Strickland Roger, and Community Stakeholders about the vision for the future of the village. We have done this through a website, online workshops and one-to-one conversations.

Now we will be running a pop-up event to talk to you about what we've learned and hear your views on the community conversation so far.

Friday 2nd July, 12 - 4PM

Where and When?

Friday 2nd July, 12 - 4pm, Millenium Green, Burneside

Look out for the orange gazebo!

How do I get involved?

Just turn up at any time between 12 and 4! We will have a range of interactive tools to gather your feedback in response to the conversations we've had so far, share your own views about the future of Burneside, and let us know how you'd like to be involved in making the ideas happen.

How else can I share my views?

NOW - 4th JULY: Engagement website

placed-engagement.org.uk/Burneside
Please read through people's comments and join the conversation.

NOW - 4th JULY: Paper survey

You can pick up and drop off a survey at the Church.

WEDNESDAY 7th JULY: Developing a Community Action Plan

Our final workshop will be run online to plan how the feedback can be moved forwards into a 'Community Action Plan'. The Community Action Plan will be a strategy for turning the ideas into a reality. You can find out more and book through our website placed-engagement.org.uk/Burneside

You can contact: sophie@placed.org.uk with any questions.
