

South Cumbria Rivers Trust (SCRT) works in collaboration with the Environment Agency (EA) and Natural England (NE) to identify, scope and deliver work that benefits the special nature of the River Kent. The River Kent and its tributaries are designated as a Site of Special Scientific Interest (SSSI) and a Special Area of Conservation (SAC).

# BOWSTON WEIR REMOVAL APPLICATION UPDATE: February 2022

ISSUE DATE: Friday 25<sup>th</sup> February 2022

## BOWSTON WEIR REMOVAL

*At the South Lakeland District Council (SLDC) planning committee meeting yesterday, the committee made the decision to approve the application to remove Bowston weir.*

*Minutes of the meeting will be available in due course via SLDC website. We thank all groups, organisations and individuals for your comments and interest in this application.*

*We will now be working towards the removal of Bowston weir, due to take place this summer.*

*We will continue to update all interested parties with relevant information as soon as possible, via e-mail and on our website.*

*Regards,*

*The SCRT Team*
