Community Workshops

Join us!

This year, we are doing even more work in the community, working with groups and organisations to help bring carnival making to everyone.

We have a full programme across the summer, as our creative crew visit various locations across Kendal working with young people, vulnerable groups and those with accessibility issues as well as reaching out to all areas of the community that want to get involved in the creative making of this years carnival.

This has been made possible by funding from the Arts Council, Awards for All and The Frieda Scott Trust.

We are creating spaces where people can reconnect and be creative connecting community groups in a collaborative way to take part in these activities and a safe space.

You can find out more about these events on social media as they happen.

A vibrant promotional graphic for "Torchlight Procession". The background is a warm orange gradient with wavy patterns and scattered confetti. On the left, a hand holds a lit torch with yellow and orange flames. In the center, the text "Torchlight Procession" is written in white and yellow, with "FRIDAY NIGHT" below it in white. A dark blue button with the text "READ MORE" is positioned in the lower center. To the right, there are illustrations of a yellow star, a jellyfish, a bird, and a flower. The overall theme is festive and celebratory.

A promotional graphic for "Giant" featuring a bright yellow background. Three stylized flowers are arranged horizontally: a large purple flower with a yellow center on the left, a smaller pink flower in the middle, and a large blue flower with a yellow center and green leaves on the right. The word "Giant" is written in a large, bold, red font at the bottom.
